Family have fun together making fridge magnets

GEORGE TOWN: Some 10 families enjoyed quality time celebrating Parents' Day by making fridge magnet together in a workshop.

Co-organised by Ivory Properties Group Berhad's charity arm, Ivorycares and Eden Handicapped Centre, the participants made the fridge magnets in the form of cartoon carrot.

The children had a good time making the fridge magnets together with their parents, while being assisted by the volunteers from Ivorycares.

Each participant paid RM15 for the materials and the proceeds were channelled to the Eden Handicapped Centre and Ivorycares.

It was an opportunity for families to have fun while doing charity at the same time.

The children had big smiles on their faces when they finished making the fridge magnets which they can bring home and had their photographs taken together with their handcrafts by the organiser.

The mini workshop was held at the ground floor concourse of M Mall O2O's new wing, sponsored by M Mall O2O on June 23 from 2pm to 3pm.

This event is part of Ivory Properties Group Berhad's Corporate Social Responsibility (CSR) programme which also includes visitation to children's homes, blood donation campaigns, goods donations to charity homes and more.
