Ivorycares adds Ramadan cheer to 23 families

SPREADING the Ramadan cheer, a group of volunteers from Ivorycares took the opportunity to offer their aide to 24 less fortunate families within the vicinity of Jalan Datuk Keramat.

The charitable arm of Ivory Properties Group Berhad (IPGB), in collaboration with Penang Times Square shopping complex management team, distributed goodie bags comprising daily essential items and festive delicacies as well as green packets to each family.

Among the items are murukku, kuih raya, sugar, rice, flour, condensed milk, instant noodles, biscuits and others.

Ivorycares president Datuk Ooi Chin Loo and Penang Times Square general manager Yeap Chin Chong gave out the contribution to the families at the mall yesterday (Aug 10).

Ooi said the contribution was part of their effort to reach out to the needy this festive season, adding that Ramadan was all about fasting and almsgiving.

“Some employees contributed in terms of items while others made their monetary contribution for us to buy the families other items and to give them the green packets,” he said.

The families were later brought over to Masjid Kampung Jawa Baru to break fast with IPGB Muslim employees and its deputy chairman and executive director Datuk Seri Nazir Ariff, who also gave his personal contribution to the families at the mosque.
