SOME 200 party-goers had a great time in Soju Penang with an outstanding lineup of international entertainers including Filipino DJ Janice D.

The guests partied the night away in black and green getups, which were the theme colours of Soju Penang's recent birthday bash at Penang Times Square.

A similar event was held the next day at Soju Autocity in Juru.

Kicking off the night was international band CASH at Soju Penang as they wowed the crowd with futuristic-themed

performances.

International recording artiste Michelle Ayalde mesmerised the crowd with powerful renditions of Billboard hits and her own single, 'Missing You', from her album 'HiPNOTIC'.

Other performers were Filipino dancing duo Alie and MJ and a pair from Indonesia called the N Generation.

The excitement soared when Janice D began playing her music beats followed by the local DJ Jenni F as well as Soju's resident DJ Twister and DVDJ Dnesh.

Their explosive beats kept party-goers hyped up and on their feet all night long.

Janice D, one of the Top 10 sexiest female DJs who has appeared in several magazines like Playboy and FHM in the Philippines, was on a roll spinning top electronic dance music.

There was also a lucky draw session.
